About the Institute

- Ramireddy Subbarami Reddy Engineering College (RSREC) was established in the academic year 2008-09 under the aegis of Ramireddy Subbarami Reddy Educational Trust, Kavali.
- The Institute was approved by AICTE and Affiliated to JNTU with an intake of 240 in four UG Courses in Engineering & Technology.
- At present RSREC offers 5 B.Tech. Programs with an intake of 720 and a PG(MBA) program with an intake of 60.
- RSREC envisages comprehensive development of the students and offers qualitative, enduring, enriching, educational experience making it a dynamic hub of academic excellence, vibrant with inventive and innovative practices and teaching-learning strategies.
- The College is situated in an eco-friendly campus of 11.85 acres with thick greenery at Kadanuthala, Bogole Mandal, SPSR Nellore District, Andhra Pradesh.
- The College is 15 km away from Kavali town towards Nellore on N.H.16 (Kolkata-Chennai highway).

Institutional Vision & mission

Institutional Vision:

To transform Rural Youth through Science and Technology and creating an innovative knowledge hub whose initiatives generates entrepreneurial value towards nation building.

Institutional Mission:

To teach, empower rural youth, and lead them towards innovation.

To hold ethical practices, empathy and appreciate the culture of learning.

To nurture talents that transform, create, and innovate knowledge.

About the Department

- The Electrical and Electronics Engineering Department, established in the year 2008, has been well structured. The department is running with well qualified, dedicated and experienced faculty. All faculty are with minimum M.Tech. qualification to fulfill the aspirations of student community.
- It is offering B.Tech. (EEE) programme with an annual intake of 60 and providing outstanding facilities for all the students to learn innovative technologies.
- As a part of the curriculum, Industrial visits are arranged for students to upgrade their skill and knowledge. Our EEE students also actively participated in paper presentation contest organized at various Engineering Colleges and Universities.
- Some of them have been awarded in these Paper presentation contests.
- The department is having the following well-Equipped_Laboratories.
 1. Electrical Machines & Power Systems Lab
 2. Electrical Circuits & Measurements Lab
 3. Control Systems & Power Electronics Lab
 4. Electrical Networks & Simulation Lab

Vision and Mision of the Department

Vision:

To produce talented Electrical and Electronics Engineers through quality education, to be known for excellence and become a source of cutting-edge technologies in the field of Electrical and Electronics Engineering.

Mission:

To achieve national eminence in the field of Electrical and Electronics Engineering.

Message from the HOD's Desk

❖ Welcome to the Department of EEE. It's been great pleasure to introduce the new volume of our EEE department newsletter for this year. This Newsletter "EE-Xperia" will explore the insights of many technical and non-technical programmes/ events conducted by our department that showcases the strength of the department.

Thanking you.....

With Regards,
Dr. Vasepalli. Raveendra Reddy
HoD, EEE

**Dr. V. Raveendra Reddy,
HOD, EEE**

Message from the Editor's Desk

I feel honored and privileged for getting a chance to frame the newsletter of EEE, i.e., "EE-Xperia". Earlier, last edition presented various events celebrated by EEE during September to October 2025. This Volume:3, Issue #1 is the successor of previous one which will present the events conducted by EEE department and the events where EEE students participated. It also includes college events and IIC events where EEE students played a crucial role. Hope that this will present the young talents and their contributions to the department of EEE.

**Warm Regards,
Ezra Sadepalli,
Assistant Professor, EEE**

January Highlights of the EEE Department

January 03, 2026, Saturday

The Andhra Pradesh State Council of Higher Education organized this exclusive webinar for the first time. It was live-streamed on the official YouTube channel of APSCHE.

The program was organized in association with IIT, Madras. Mr. Andrew Thangaraj and Ms. Bharathi Balaji were the keynote speakers for the session.

Ms. Bharathi Balaji explained the course enrolment process, certification procedures, and the importance of NPTEL certifications in improving knowledge, skills. EEE students and staff actively participated in the session.

The webinar lasted for an hour and concluded with an encouragement to actively utilize NPTEL courses for continuous learning and professional development.

The banner features logos for APSCHE, swayam, and NPTEL. The main text reads: "Exclusive Webinar on NPTEL INITIATIVES" dated "03rd JANUARY 2026 @ 11:00AM". It lists various initiatives such as "CREDIT TRANSFER FOR STUDENTS", "INTERNSHIP FOR TOPPERS", "PRE-DOCTORAL FELLOWSHIP FOR NPTEL STARS", "SUPPORT FOR SPOCS (LOCAL CHAPTERS)", "LAB WORKSHOP HANDS ON EXPERIENCE", "INDUSTRY ASSOCIATES & CSR", "FDP COURSES FOR FACULTY", "GATE EXAM ASPIRANTS", "SOFT SKILL TRAINING FOR LOCAL CHAPTERS", "NPTEL+ SHORT PROGRAMS", "VIDEO LECTURE TRANSCRIPTS & TRANSLATION", and "DOMAIN CERTIFICATION". Keynote speakers are listed as Prof. K. Madhu Murthy (Chairman, APSCHE), Prof. Andrew Thangaraj (Chair of CQCL, NPTEL, IIT Madras), and Ms. Bharathi Balaji (Project Director, NPTEL, IIT Madras). The event is organized by the A.P. State Council of Higher Education in collaboration with NPTEL, Indian Institute of Technology (IIT)-M.

January 03, 2026 Savitribai Phule's Birth Anniversary – Participation of II EEE Girl Students as Volunteers

To commemorate the birth anniversary of Savitribai Phule, India's first female teacher and eminent social reformer, the Department of H & S in association with the Women Empowerment Cell (WEC) organized this event.

The main objective of the session was to promote girls' education among underprivileged sections of society, eradicate child marriages.

The speakers, Mrs. K. Mavya and Mrs. T. Haritha, emphasized the significance of the occasion and highlighted the remarkable contributions of Savitribai Phule towards rationality, truth, equality, and humanity. They stressed that education is a powerful instrument for transforming the lives of socially oppressed communities.

The speakers also highlighted the establishment of the first girls' school by Phule and inspired the participants with her dedication towards women's empowerment and social reforms. The session lasted for nearly three hours.

Sankranthi Celebrations

Ramireddy Subbarami Reddy Engineering College celebrated **Sankranthi Sambaralu** with great enthusiasm and festive spirit. The event was organized by the Department of CSE in association with the NSS Unit. On January 09th, Cultural and Rangoli competitions were conducted for both boys and girls, where students showcased their creativity by designing colorful and traditional rangolis, adding vibrancy to the festive atmosphere.

As part of the celebrations, the college staff prepared traditional Pongal dishes, reflecting the rich cultural heritage of Sankranthi. The traditional Bhogi bonfire celebrations were inaugurated by the principal. Awards were presented to the House keeping Staff in recognition of their dedicated service and outstanding contribution towards maintaining cleanliness and supporting college activities. Dr. P. V. N. Reddy, Principal, Mr. K. Ramesh, HOD of CSE, CSE faculty members, EEE students, and staff and students from various departments actively participated and made the event a grand success.

Ramireddy Subbarami Reddy Engineering College లో సంక్రాంతి సంబరాలు ఆనందోత్సాహాల మధ్య ఘనంగా నిర్వహించబడ్డాయి. ఈ కార్యక్రమాన్ని సి.ఎస్.ఇ విభాగం, ఎన్ఎస్ఎస్ యూనిట్ ఆధ్వర్యంలో నిర్వహించారు. జనవరి 09వ తేదీ సాంస్కృతిక కార్యక్రమాలు మరియు మధ్యాహ్నం బాలురు మరియు బాలికల కోసం రంగవల్లి (రంగోలి) పోటీలు నిర్వహించగా, విద్యార్థులు సృజనాత్మకతతో అందమైన ముగ్గులను రూపొందించి పండుగ వాతావరణాన్ని మరింత ఆకర్షణీయంగా తీర్చిదిద్దారు.

ఈ సందర్భంగా కళాశాల సిబ్బంది సంప్రదాయ పద్ధతిలో పొంగళు తయారు చేసి సంక్రాంతి సంస్కృతిని ప్రతిబింబించారు. కళాశాల పరిశుభ్రత మరియు సేవా కార్యక్రమాలలో విశేష సేవలందించిన ఆయమలకు ఉత్తమ ప్రతిభా పురస్కారాలు అందజేశారు. ఈ కార్యక్రమంలో డా. పి.వి.ఎన్. రెడ్డి గారు (ప్రిన్సిపాల్), శ్రీ కె. రమేష్ గారు (సి. ఎస్.ఇ హెచ్.ఎడ్), సి. ఎస్.ఇ అధ్యాపకులు, ఈఈఈ విద్యార్థులు మరియు ఇతర విభాగాల అధ్యాపకులు, విద్యార్థులు పాల్గొని కార్యక్రమాన్ని విజయవంతం చేశారు.

@ EEE DEPARTMENT

The Department of Electrical and Electronics Engineering (EEE), in association with the NSS Unit, organized and conducted the **National Voters' Day** celebration on **25th January 2026 (Sunday)**. The event was hosted by the EEE Department with the objective of creating awareness about the importance of voting and encouraging active participation in the democratic process.

A voter awareness rally was conducted from **Rupai Midde to Janda Street, Kavali**, commencing at **9:30 a.m.** The rally highlighted the significance of voting and its impact on society. **Sri D. Elisha garu**, Kavali RDO, **Sri. E. Sudhakar Rao garu**, Magistrate, Kavali, **Dr. P. V. N. Reddy**, garu, Principal, **Dr. V. Raveendra Reddy garu**, Head of the Department of EEE, **Mr. A. Kiran Kumar**, Physical Director, Teaching and Non-teaching Staff, and Students of the institute actively participated in the rally.

Through the rally, they spread awareness among young voters and the general public, emphasizing the importance of exercising their right to vote and choosing responsible leaders for effective governance.

Following the rally, a meeting was held at the Seminar Hall of the RDO Office, Kavali. The gathering was addressed by **Sri D. Elisha Garu**, Revenue Divisional Officer (RDO), Kavali, and **Sri E. Sudhakar Garu**, Magistrate (Civil Judge), Kavali.

Addressing the participants, **Sri D. Elisha Garu** stated that National Voters' Day primarily aims to encourage newly eligible 18-year-old citizens to enroll themselves as voters. He emphasized that the day serves as a reminder that the ultimate power of governance rests in the hands of the people and that every eligible citizen should actively participate in the democratic process.

Sri E. Sudhakar Garu, Magistrate (Civil Judge), highlighted the role of educated citizens and students in promoting electoral literacy within their communities. He stressed the official theme of National Voters' Day, "**Nothing Like Voting, I Vote for Sure**," and urged every citizen to participate in nation-building by exercising their voting rights with pride and responsibility.

The session concluded successfully after two hours, leaving the participants with a deeper understanding of their electoral rights and responsibilities and reinforcing the importance of informed and active participation in democracy.

January 26, 2026 – 77th Republic Day Celebrations

- EEE Department in association with NSS unit conducted the 77th Republic Day Celebrations to remind us the 26th of January, 1950 when our constitution came into force and our country became a true republic.
- With patriotism and pride in hearts, responsibility in actions and hope for a developed INDIA in the near future, Republic Day Celebrations started.
- The history of Indian republic and the struggle of freedom fighters were clearly explained by the director, Dr. K. Raja Reddy sir.
- He stated that India has progressed tremendously in fields such as science, technology, education, agriculture, and space research.
- He urged students to focus on education, innovation, and skill development to meet the challenges of the modern world.
- Concluding his address, Dr. Raja Reddy Garu said that true republic is achieved when every young Indian contributes positively to the country's progress and upholds the ideals of our freedom fighters.
- Adding to this, Principal **Dr. P. V. N. Reddy** sir stated that, the country is advancing in 5G/6G technology, electric vehicles, green energy, semiconductor manufacturing, and is projected to be the third-largest economy.

The Department of Electronics and Communication Engineering (ECE), in association with **Cranes Varsity, Bengaluru**, organized a two-week awareness session on “AI Ethics, Safety, Sustainability, and Responsible Use.” **Ms. Athira S.**, Trainer at Cranes Varsity, Bengaluru, served as the resource person for the session.

During her address, Ms. Athira highlighted that ethics, safety, and sustainability are fundamental pillars of modern Artificial Intelligence systems. She emphasized that ethical AI promotes fairness, transparency, accountability, she also stressed the importance of AI safety, trustworthy systems that minimize risks and prevent unintended consequences.

Speaking on sustainability, she explained that sustainable AI encourages the efficient use of computational resources and supports environmentally responsible technological development.

Among the active participants were **III B.Tech. EEE students N. Varshini, K. Reshma, and SK. Farooq**

@EEE DEPARTMENT

EEE HOD and Controller of Examinations, Dr. V. Raveendra Reddy announced the Results for the following:

- 1) II B.Tech. I Semester (R23 Regulation) Regular and Supplementary, November 2025 – Results
- 2) II B.Tech. II Semester (R23 Regulation) Supplementary, November 2025 – Results
- 3) III B.Tech. I Semester (R23 Regulation) Regular and Supplementary, November 2025 – Results
- 4) MBA, III Semester (R23 Regulation) Regular and Supplementary, November 2025 – Results

The Result Committee comprised Dr. P.V.N Reddy, Principal, as Chairman; Senior Prof. P. Ramana Reddy, Department of ECE, JNTUA College of Engineering, Ananthapuramu, as University Nominee; Dr. V. Raveendra Reddy, Controller of Examinations, as Secretary; Mr. B. Srikanth Reddy, Additional Controller of Examinations-1, as Member; Dr. K. Raja Reddy, Director, RSREC, as Member; and Mr. R. V. Ramana Reddy, Administrative Officer, as Member.

The meeting commenced with a welcome address by the Chairman, Dr. P.V.N Reddy, who warmly welcomed the University Nominee, members of the Result Committee, and the Heads of all Departments. He also provided a brief overview of the examination system followed at Ramireddy Subbarami Reddy Engineering College. He highlighted the measures adopted to ensure transparency, accuracy, and confidentiality in the evaluation process.

After detailed deliberations in the Result Committee Meeting, the results of the above specified were presented by the CoE and EEE HOD, Dr. V. Raveendra Reddy. The results were comprehensively discussed branch-wise, semester-wise, and subject-wise. The members of the Result Committee meticulously reviewed and verified the results to ensure accuracy and consistency.

The University Nominee, **Senior Prof. P. Ramana Reddy**, Department of ECE, JNTUA College of Engineering, Ananthapuramu, carefully observed the proceedings. He recorded the branch-wise performance, and accorded approval for the results Announcement.

IQAC Coordinator and IIC President Dr. B. Satya Naraya Reddy at the Valedictory Session of National Science Day 2k26 and Dignitaries on the dais.

Students from R.S.R International School with their Exhibits

Science Exhibition entitled, “Science Expo 2K26” was conducted on 28-02-2025 at RSREC by the IIC. Session was Presided by the president of IIC, *Dr. B. Satya Narayana Reddy*.

President stated the theme for national science day 2K26 viz., “**Women in Science: Catalysing Viksit Bharat**”. He clearly stated the inclusion of Woman in Science and their inventions and discoveries.

Speaker, *Dr. P.V.N. Reddy*, Principal of RSREC stated that, the celebration encourages curiosity, critical thinking and contributions of Indian scientists.

Guest, *Mr. K. Chandra Sekhar* garu motivated the students to pursue STEM (Science, Technology, Engineering, Mathematics). He also stated various innovations starting from January 2026 to February 2026.

Another Speaker *Mrs. V. Chandra Jyothi* garu stated that the current science day aligns with Atmanirbhar Bharat addressing science and technology.

Exhibits were exhibited by students from within and outside the institute. Students of the participated institutions were awarded with cash prizes and certificates.

Valedictory Session lasted for two hours. Session ended by the President of IIC with vote-of-thanks.

I and II B.Tech. EEE Students Join
International Women's Day Walkathon

Picture – Principal Dr. P. V. N. Reddy, H & S HOD Dr K. Lakshmi and Faculty of H & S, II EEE Students Ms. Jasmine and Ms. Sambhavi and others participate in the Rally

The Women Empowerment Cell, under the guidance of **Dr. K. Lakshmi**, HOD, Humanities & Sciences, organized a walkathon on March 6, 2026, ahead of the International Women's Day celebrations. Students of I B.Tech. CE, EEE, ECE, CSE, and AI & DS participated actively in the rally.

The rally commenced from the institute campus and proceeded to the nearby village of Kadanuthala. Girl students from EEE and other branches raised slogans highlighting the importance of women's safety, dignity, and empowerment. Addressing the participants, Principal **Dr. P. V. N. Reddy** stressed the importance of ensuring a safe and secure environment for women and appreciated the efforts of the students in spreading awareness through the rally. The awareness rally continued for about an hour.

@ EEE DEPARTMENT

The Department of EEE organized and conducted the National-Level Technical Symposium, **TECHNOPULSE-2K26**, for the first time in its recent history. This prestigious and remarkable event marked a significant milestone for the department. Earlier, the department had successfully organized the symposium in 2016, and **TECHNOPULSE-2K26** was its second edition.

The symposium was conducted as an interdisciplinary event, attracting nearly **412 participants** who showcased their talents through **Project Exhibitions, Technical Paper Presentations, and Coding Competitions** in the disciplines of Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, and Computer Science and Engineering.

The forenoon session commenced with the registration and verification of participants at the respective departmental help desks. The **Inaugural Ceremony** was held at **11:00 a.m.** in the institute auditorium (CR-109). The dignitaries on the dais included **Dr. K. Raja Reddy**, Director, **Dr. P. V. N. Reddy**, Principal; **Mr. R. V. Ramana Reddy**, Administrative Officer; and **Dr. B. Satya Narayana Reddy**, IQAC Coordinator. The inaugural session featured the Prayer Song, Lighting of the Lamp, and Welcome Address by the dignitaries.

Following the inauguration, the participants proceeded to their respective departmental venues, where the scheduled technical events were conducted simultaneously.

@ EEE DEPARTMENT

The **Valedictory Function** was held during the afternoon session. On this occasion, **Dr. P. V. N. Reddy**, Head of the Institution, addressed the gathering and stated that **TECHNOPULSE serves as a catalyst for innovation, creativity, and technical excellence in today's rapidly evolving world**. He further emphasized that while theoretical knowledge forms the foundation of education, it is the practical application of knowledge, innovation, and creativity that truly defines a successful technocrat.

Dr. V. Raveendra Reddy, Coordinator of **TECHNOPULSE-2K26** and Head of the Department of EEE, also addressed the gathering on the occasion. He appreciated the enthusiasm and active participation of the students and warmly welcomed them to the symposium. He further commended the faculty members and students of the EEE Department for their dedicated efforts in organizing the event successfully.

He encouraged all participants to make the most of the opportunity by actively engaging in the various competitions and technical activities. He also extended his best wishes to all the participants for their success in the events.

The entire symposium was organized under the guidance of **Dr. V. Raveendra Reddy**, HOD, EEE, with the support of **Mr. Ezra S., Mrs. K. Saranya Reddy, Mr. A. Bhaskar, Mrs. D. V. Deepika, Mrs. A. Saritha, Mr. P. Ramesh, Mr. Kameswara Rao, Ms. Rajya Lakshmi, and Ms. Lakshmi Teja**.

The students of **II B.Tech. and III B.Tech. EEE** extended their wholehearted cooperation in making the necessary arrangements and ensuring the smooth and successful conduct of the symposium. **Ms. Varshini (III B.Tech. EEE)** and **Ms. Vyshnavi (II B.Tech. EEE)** efficiently compered the proceedings. **Mr. Subramanyam (III B.Tech. EEE)** and **Mr. Raja Kameswara Rao, Technical Assistant**, extended significant support and assistance in ensuring the smooth conduct of the symposium.

The symposium was conducted throughout the day, and prizes were distributed to the winners by the dignitaries present on the dais during the valedictory session. The event concluded with the distribution of prizes and certificates to the winners of the various competitions, recognizing their outstanding performance and encouraging them to pursue excellence in their respective fields.

The programme concluded with a **Vote of Thanks** proposed by **Dr. V. Raveendra Reddy**, HOD, EEE and Coordinator, **TECHNOPULSE-2K26**, who expressed his gratitude to the management, dignitaries, faculty members, student volunteers, participants, and all those who contributed to the grand success of the event.

@EEE DEPARTMENT

The Youth Festival 2K26 was celebrated on March 31, 2026, at R.S.R Engineering College, Kadanuthala, with great enthusiasm and active participation from students of all departments. The festival created a joyful environment and provided an opportunity for everyone to relax, interact, and enjoy different activities.

The festival brought students together, encouraged teamwork, and added colourful memories to campus life. The college campus was filled with excitement as various food stalls, game stalls, and fun activity stalls were arranged for students.

The EEE students organized a Juice and Ice Cream Stall, which attracted many visitors throughout the day. The Civil Engineering students managed a Food Stall offering a variety of snacks and refreshments. The CSE students displayed their creativity through Mehandi, Creative Art, and Mug Printing stalls.

April 02, 2026

EEE Students' Participation in Cultural Fest

As part of Youth Festival 2K26, R.S.R Engineering College, Kadanuthala organized a Vibrant **Live Music Concert on April 2, 2026**. The musical evening featured performances by renowned singers Sriteja, Lipsika, and Anchor Amulya, who charmed the audience with their peppy and melodious songs. Students, faculty members, and visitors gathered in large numbers and thoroughly enjoyed the lively atmosphere created by the performances.

The concert added excitement and entertainment to the festival celebrations. It provided students with an opportunity to relax and enjoy a memorable cultural experience.

EEE students **Mr. O. Koushik, Mr. Madhu Babu, Mr. Sandeep,** and **Ms. Sushma** were among the active participants who enthusiastically took part in the event. The program was well received by the audience and became one of the highlights of the Youth Festival 2K26.

The College Day celebrations of Ramireddy Subbarami Reddy Engineering College were held on April 03, 2026, from 10:00 a.m. to 4:00 p.m. in a grand manner. The program was graced by Chief Guests **Mr. Kakani Govardhan Reddy** garu, Former Minister for Agriculture, Government of Andhra Pradesh, and **Prof. B. Durga Prasad** garu, Director of Academic Audit, JNTUA, Anantapuramu.

The dignitaries on the dais included Chairman and Founder **Er. R. Prathap Kumar Reddy** garu, Director **Prof. Dr. K. Raja Reddy** garu, Principal **Dr. P. V. N. Reddy** garu, Administrative Officer **Mr. R. V. Ramana Reddy** garu, and the chief guests.

The event began with a warm welcome address delivered by a first-year CSE student and a third-year CSE student. Principal **Dr. P. V. N. Reddy** garu presented the Annual Report, highlighting the academic achievements, activities, and progress of the institution during the academic year. The gathering reflected the spirit of celebration and recognized the efforts of students, faculty, and staff in contributing to the growth of the college.

As part of the celebrations, students who excelled in academics and other activities were honored with awards.

From the **Department of EEE**, **Mr. Farooq (III B.Tech.)** and **Mr. Abdul Kareem (IV B.Tech.)** received Academic Topper Awards for their outstanding performance.

Mr. Abdul Kareem was also honored with the prestigious **“Best Outgoing Student”** award in the Male Category for the B.Tech. Batch 2022–2026. The occasion served as a memorable platform to appreciate student achievements and encourage them toward greater success.

April 09, 2026

Farewell Celebrations for EEE Students of the 2022–2026 Batch

The farewell programme for the outgoing EEE Batch (2022–2026) was organized by the III B.Tech. EEE students (2023–2027 Batch) at the Institute Auditorium. The event was conducted to bid farewell to the graduating students and to celebrate their academic journey, achievements, and memorable moments in the department.

The programme was hosted by the III B.Tech. EEE students and was anchored by Ms. N. Varshini and Ms. A. Uma of III EEE. The forenoon session began with a prayer song, followed by an audio-visual presentation showcasing the memorable moments of the EEE.

On this occasion, Director Dr. K. Raja Reddy, Principal Dr. P. V. N. Reddy, and HOD, EEE, Dr. V. Raveendra Reddy addressed the gathering and conveyed their best wishes to the outgoing students. On behalf of the graduating batch, Mr. Abdul Kareem and Ms. Akshitha shared their experiences and memories of B.Tech. Life.

A lunch break was arranged during the programme, with lunch hosted by the III B.Tech. EEE students for the faculty members and outgoing students. Mr. Subramanyam played a key role in coordinating the lunch arrangements.

The afternoon session was conducted by Ms. Malleswari and Ms. Uma of III EEE. The programme featured cultural activities, dance performances by III and IV B.Tech. EEE students, interactive games, and entertainment segments. It concluded on a memorable note, with faculty and students extending their best wishes

**RAMIREDDY SUBBARAMI REDDY
ENGINEERING COLLEGE**
(AUTONOMOUS)

SALIENT FEATURES OF RSREC

- Autonomous Institution with NAAC 'A' Grade with 3.17 CGPA.
- Outcome Based Education (OBE) system.
- Promotes self-learning and experiential learning.
- Industry connected academic environment which allows students for internship.
- Provisions in the curriculum to undergo MOOC's from e-Learning platforms like SWAYAM, Course Era, Udemy, etc.
- At least one value added course is provided in each semester.
- Campus Recruitment Training (CRT) is offered by industry experts to impart employability skills among students from 1st year onwards.
- Imparts coding skills (C, Java, Python) through a customized and dedicated AI driven Assessment and LMS platform called "Instacks".
- Counselling and brainstorming sessions on career development from 1st year onwards.
- Green campus with abundant plantation which reduces mental stress and keeps surroundings fresh.
- Encourages students to join National Service Scheme to bring up social consciousness and personality development through community service.
- Encouraged to participate in sports and cultural events.
- 300 computer systems with latest configuration spread across 5 state-of-the-art computer labs provided with uninterrupted internet and LAN facilities.
- Indoor Auditorium with a seating capacity of 400.
- Wi-Fi enabled campus.

LIFE AT RSREC
